## About our Institution

The National Institute of Ayurveda was established on 7th February 1976 by the Ministry of Health and Family Welfare, Government of India. The Institute is first of its kind in India having a national character and international reputation.

Now, NIA is an apex Institute under the Ministry of AYUSH for promoting the growth and development of Ayurveda as a model Institute for evolving high standards of teaching, training, research and patient care and also to invoke scientific outlook to the knowledge of Ayurvedic System of Medicine.

## Background of 2<sup>nd</sup> National Conference on Cancer

1<sup>st</sup> National Workshop on Cancer was organized in our institute in January, 2018, where the eminent Physicians of Ayurveda who practice and provide health services to the cancer patients through Ayurveda have given expert lectures. 1<sup>st</sup> Workshop on Cancer has given the capacity building to the physicians, researchers and students to strengthen their skills in practice and research. By using this experiences and success we started 'Cancer Consultation & Treatment Unit' where our team of physicians/surgeons has consulted near about 524 (New+Old) patients of cancer in 1 year.

Keeping this fact in mind, 2<sup>nd</sup> National Conference on Cancer 2019 is planned to give exposure of Clinical practice based and evidence based cancer therapy in Ayurveda with success stories of Cancer Patients by expert & eminent senior physicians of Ayurveda who are involved in cancer care through Ayurveda.

## Aims & Objectives

- To share the knowledge and information about exposure of clinical practice based and evidence based Cancer Therapy in Ayurveda with success stories.
- To enhance the clinical experiences regarding cancer therapy in Ayurveda.
- To discuss on evidence based clinical practices by eminent senior physicians of India.
