Post	Candidate name	Question number

Junior Stenographer	Anuradha Sharma	15; 22; 33; 36; 52; 57; 58

Consequent upon receipt of above objections matter was examined by expert committee and same was submitted to subject experts concerned for expert opinion in light of objections received from the candidates.

**Following is the decision taken regarding objection on question number 47 for the post of Accountant –**

As per Company Act 2013 maximum number of members has been increased to 200 from 50. Previously maximum number of members was 50 as per Company Act 1956. As in the Company Act 2013 the number of members is increased to 200 so maximum numbers of members in a private company is 200 presently.

As per new Act there can be 50, 100 or 150 members as given in options A, B & C and in question maximum number of members is asked which will be 200 as explained. So correct answer choice for the question is 'D'

So, there was no change in the status of question or answer key.

**Matter is still pending with experts for their opinion regarding objections received for the post of Junior Stenographer as mentioned above.**

No further objections will be entertained in this regard.

Candidates are hereby advised to frequently visit our website for latest information in regard to above posts.
