About NIA, Jaipur

NIA is an apex Institute under the Ministry of AYUSH, Govt. of India with the mandate for promoting the growth and development of Ayurveda as a model Institute for evolving high standards of teaching, training, research and patient care and also to invoke scientific outlook to the knowledge of Ayurvedic System of Medicine.

The City of Jaipur was established 238 years back and by linking with it, the Institute has a glorious tradition of about 145 years when the Department of Ayurveda was started in 1865 in the Maharaja Sanskrit College, Jaipur which gained popularity as the "Jaipur School of Thought". An independent Ayurvedic College was established in August 1946 by the Government of Rajasthan and this College was merged to form NIA in February 1976. This is one of the very few Ayurvedic Colleges in the country to introduce Post-Graduate Education in Ayurveda as early as 1970. After its establishment in 1976, the Institute had grown tremendously in the field of Teaching, Training, Research, Patient Care etc. as a result of which it has now 14 Specialities for PG Courses and 9 Specialities for Fellowship Program leading to Ph.D., apart from the Graduate Course and a Diploma Course in AYUSH Nursing & Pharmacy.
