13.2 Increase in the Fixed Monthly Remuneration

The Committee recommended that wherever minimum wages as provided under Law, it should be followed. The Guidelines prescribed by the Department of Personnel & Training and by Ministry of AYUSH for engaging Office Assistants, MTA and other Consultants may also be followed wherever applicable. Subject to these observations, the SFC recommended the following:

- (i) The Remuneration of Modern and Ayurvedic Doctors (General Surgeon, Gynaecologist, Anaesthetist, Ophthalmologist, Casualty MO, Ayurvedic Physician, JRF, Dentist, Radiologist and Paediatrician) may be increased by 10% for 2018 and 10% for 2019 as their Remuneration was enhanced two years ago. However, this increase is to be allowed prospectively only. The present Remuneration of Rs. 20,000 for Casualty MO was approved in 2011 which had not been increased since then. Therefore, this may be increased to Rs. 50,000 Per Month, prospectively.
- (ii) For all other categories, an increase of 5% for 2018 and 5% for 2019 may be allowed as their Remuneration was also enhanced two years ago. However, this increase is also to be allowed prospectively only.
